ARCTIQ

Microsoft Cloud Solution Provider (CSP)

Expert Guidance for Your Microsoft Cloud Journey

As a Direct Tier 1 Microsoft Cloud Solution Provider (CSP), Arctiq can directly license, manage and support the full range of Microsoft cloud services to include Azure, Office 365, Microsoft 365, Enterprise Mobility Suite, Teams, Dynamics, SharePoint, and much more. In addition, we support varied client licensing models: Commercial (E licensing), Education (A licensing), Government GCC (G licensing), and Not-for-Profit.

COST-EFFECTIVE

Arctiq ensures that your Microsoft cloud engagement provides the most value by:

- Staging your rollout and licensing as a "Just in Time" model so you only pay for what you rollout and use
- Providing you with access to funding for rollouts, customer adoption, and trainingbecause of our Tier 1 Partnership status
- Providing you with trial licenses for all Microsoft program options (up to 25 licenses for 30+ days)
- Providing you with an Azure instance that is connected directly to your AD infrastructure to ease provisioning and governance and simplify billing
- Enabling monthly or annual billing to suit your individual needs

EXCEPTIONAL SERVICE

Arctiq has access to dedicated Microsoft in product tools to directly provision, manage, and support your subscription. We combine these powerful Microsoft tools with our own robust products and services, to provide you with one powerful program.

Our Direct Tier 1 status means your tickets get escalated to Microsoft Premier Support level — a $50K-$75K annual value.

- Guarantees you 24x7 support
- Ensures less than 15 minute response to changes/adds of your licensing plan
- Provides monthly reports of plan usage in all plans

Trusted and Experienced

As a trusted Microsoft Solution Partner, Cloud Solution Provider, MSSP, and member of the Microsoft Intelligent Security Association, Arctiq provides a full range of services to help you get the most from your Microsoft platforms. Whether through strategic planning, workshops, assessments, proofs-of-concept, or deployments, our team ensures you maximize your Microsoft investment.
