OUR RECRUITMENT PROCESS

Arctiq has experience creating customized recruitment plans tailored to your organization. Every candidate goes through a rigorous process before they are presented to you:

Placements

We offer Contract, Contract-to-Hire, and Direct Hire placements to match your commitment level and timeline.

Complete Background Checks

All candidates are thoroughly screened before they start their assignments to ensure trust and reliability.

Technical Screening

We screen all candidates for their technical acumen, so you only meet qualified professionals.

Adapt to the dynamic demands of technology projects with our flexible resource hiring options. Whether you need short-term assistance or long-term commitments, our models are designed to provide the right talent at the right time.

Model Type	Options	Best For	Client Benefit
Hiring Models	<ul style="list-style-type: none"> • Contract • Contract-to-Hire • Direct Hire 	<ul style="list-style-type: none"> • Short-term project needs • Try-before-you-hire • Permanent placements 	Choose the right level of commitment while reducing hiring risk
Delivery Models	<ul style="list-style-type: none"> • Onshore • Nearshore • Offshore • Blended 	<ul style="list-style-type: none"> • Local presence • Cost savings with proximity • Global scalability • Balanced coverage 	Flexible resourcing to meet budget, time zone, and expertise needs
Contract Models	<ul style="list-style-type: none"> • Time and Materials • Monthly Fixed Fee 	<ul style="list-style-type: none"> • Dynamic workloads • Predictable ongoing support 	Aligns spend with project style: flexibility or cost certainty

WHY ARCTIQ?
